> For many today, a healthy balance between a career, family, friends, and fun is very tricky. Fortunately for Shirlei DeVito, she makes it look easy. She is not only a LUXURY real estate expert, but also a mother of three and mentor who knows the true meaning of balance. Shirlei is coined as a relocation specialist, servicing international clientele from around the world. She strives to maintain individual service by keeping current with innovative trends as it relates to Central Florida and the real estate market. Her international and local Internet exposure has made her a trusted and reputable name in the industry.

“In Brazil, our company has a sales force with over 700 salespersons, by that, we are able to say with certainty that besides our new friendship, Shirlei is a professional of very high caliber and does much more than the traditional role of a REALTOR.” - Flavio and Luciana da Silva, Isleworth Homeowners

It is Shirlei’s undivided dedication that drives her to helping families, lawyers, doctors, investors and executives find their dream homes. Her success and efforts have not gone unnoticed, being awarded the LARGEST HOME SALE in 2009 and Pacesetter Gold Awards from Century 21. Her success story in the LUXURY real estate market is no surprise; Shirlei has more than 20 years in sales and marketing experience and is a leader in real estate in Windermere, Celebration, Dr. Phillips and Orlando.

Her current international involvement has pushed to expand her DeVito Homes Team at Century 21, providing clients with associates fluent in Spanish, Portuguese and a member from Great Britain. Her twenty eight-year-old-daughter, Priscila, is also a sales associate and member of the team. “She has taught me that whether you are

buyer or seller you want to communicate with someone who understands your needs, where you are from and how you communicate. That’s why our DeVito Homes ‘family’ provides specialized, individual real estate services to professionals from all over the world. We are in the business of building clients for life.” – Priscila Iwakawa, Sales Associate, DeVito Homes Team

Originally from Brazil, her dedication to personalized service is the main reason she believes that communication is the foundation for successful relationships. She is a firm believer in personal tailored service from start to finish and emphasizes that a key part of success is to truly understand the interests of others. Her travels to Spain, England and South America serve to solidify her appreciation for what luxury real estate means to people all over the world.

“As my mentor, Shirlei emphasizes that our clients deserve 100% of our attention. She wants us to understand their vision, earn their trust and work diligently to present alternate strategies to help them obtain their dreams.” Julie Romo, REALTOR, DeVito Homes Team

Aside from being a full-time mother to her 16-year-old son, Eric, and keeping up with her 27-year-old son, Paul, living in Las Vegas, her latest project includes a group of professionals associated with the Economic Development Commission striving to boost the local market.
